Upcoming Events

There are many wonderful events being planned by your club members for the upcoming year. As you probably already know our annual Carousel Dinner Theatre night out, hosted by Bob Porter, has been cancelled, due to the closing of the theatre. Instead Bob has arranged a night out at the Palace Theater to see "Tommy Tune". This event will take place on March 28 and the price is \$27.00. ORCCCA club members can arrange to meet with their club friends at the restaurant of their choice. Please fill out the attached flyer and send it in ASAP.

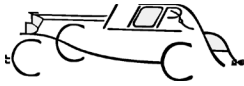

As you can tell by looking at the calendar not all the events are finalized yet. Many fun events are being planned like the Nasa Tour, MAPS Museum and 356th Fighter Group and the Berea Octoberfest Car Show, just to name a few. We have recently added the Kelly's Island Tour. It promises to be a fun-filled weekend. Our Classics will be ferried across to Kelleys Island on Friday September 11th for a two night stay. While on the island we will enjoy a mystery tour, scavenger hunt, theme party and a wine and cheese tasting party. We will be staying in the new Venture Resort Hotel located right on the shores of the beautiful Lake Erie. This event is being hosted by Chris Snyder. A flyer containing all the information has been mailed with the newsletter.

Everyone of our events is hosted by a club member. They put a lot of time into the planning of their event. Not everyone can make every event, but as you make your plans in the months ahead keep in mind the club events that appeal to you and plan on fitting them into your schedule. Everyone is looking forward to another fun filled year of events and as the old saying goes -The

"Happiness depends upon ourselves."

–Bob Porter is looking form someone to help him with our quarterly magazine Northern Lights. Bob would like to step down eventually after many years of being the editor. If you are interested please contact Bob at 216-228-1169 or by e-mail, townandcountry@ameritech.net.

– Remember John Addams has club apparel available all year long. We have beautiful ties, beige and white, available for only \$40. One of these would make a wonderful birthday or anniversary gift. Or just buy one to wear to our next club event! If you are interested you can reach John at 440-449-6735

–A big thank you goes to Harry Wolk & Bernie Golias for the wonderful job they did hosting the holiday party!

–If you have not sent in your membership application form for this year to Joan Verostic please do so ASAP. Joan would like to complete this year’s roster by the end of February. Currently we have 173 active members and 101 associate members.

The Rodway and Boyowski Trophies...

If you are planning on restoring a classic car in the upcoming year, remember to send a photograph of the car to Gary Rosenthal. The Rodway and Bayowski Trophies are awarded to two individuals who have the best restored classic vehicles for the year.

To apply, simply write a description of your auto and send the information along with your before pictures to Gary by way of regular mail or e-mail. Remember that the after pictures have to be received by October, which means your car has to be completed by then! The most improved car in each category takes home a trophy!
